To whom it may concern:

Film Independent is the non-profit arts organization that champions creative independence in visual storytelling and supports a community of artists who embody diversity, innovation and uniqueness of vision.

Project Involve is Film Independent's signature program dedicated to fostering the careers of talented filmmakers from communities traditionally underrepresented in the film industry. The program, which runs from January through September, selects filmmakers from diverse backgrounds and are given the opportunity to hone skills, form creative partnerships, create short films and gain industry access needed to succeed as working artists.

During the nine-month program, Fellows collaborate on six (6) ten-minutes short films as part of their curriculum. These projects are exercises to help the Fellows work on their craft and create an opportunity to see the work through from pre- to post-production.

These short projects have no commercial purpose and Film Independent retains ownership and all rights.

Any assistance you can provide to our current Project Involve Fellows; Surekha Paruchuri, Jhanvi Motla, Adanne Ebo, Rammy Park, Kunitaro Ohi and Gracie Simonnet will significantly impact their project *American Bodies.*

Film Independent gratefully accepts your in-kind donations and the support you are giving to these talented filmmakers.

If you have any questions, please feel free to call or contact me via email.

Sincerely,

Francisco Velasquez
